Will be accepted, on I'NOV and the **COMPETITION INVENTIONS** on I'NOV, only the objects, instruments or studies offering the character of technical, artistic and practical improvement, with the exception of all products and objects of current sale not offering this character. The drawings not enclosed by models or equivalents will not be allowed except the authorisation of the Organisation Committee.

ARTICLE 3 – PARTICIPATION AT THE INVENTIONS EXHIBITION

The registration at I'NOV is worth acceptance for publication, without time limit, the inventions and their inventors in the medias and other documents carried out by the organizers and in particular by **TRANSTECH Aquitaine**.

The participation request is IMPERATIVELY addressed, before **July 31, 2008 RIGOUR TIME**, at the head office of **TRANSTECH Aquitaine** – 19, Allée James Watt – 33700 Mérignac. Only the protected inventions from less than five years or inventors having carried out a novelty compared to the last demonstrations of TRANSTECH Aquitaine have priority. The inventors not corresponding to this criterion will be able to expose their products in the zone envisaged to this end. They are called "the exhibitor". The participation request are submitted to the Organisation Committee which rule with sovereignty on the admissions without giving the reason of her decisions. For any file send before **July 31, 2008** and without answer of the I'NOV organisation Committee before **August 15, 2008** the requests are accepted. Each stand is determinate by a permanent number.

All registration request will be accompanied, **under penalty of reject** :

- A) of a licence fee receipt copy of a patent deposit procedure or corresponding industrial title document,
- B) of an exposure mandate delivered by the inventor, if the inventor wishes to be represented,
- C) of the exclusive of tax sale price of each product intended for sale, the rate of his associated VAT and the number of product he wishes to entrust at the organisation (cf. article 6),
- D) the registration file filled and signed,
- E) the settlements (file expenses, guarantee, joining, hotel trade...).

ARTICLE 4 – REGISTRATION AND PARTICIPATION EXPENSES

The renting of the inventor or exhibitor stand at I'NOV is function of his category and the allocated surface :

> Inventor in search for employment, the student or the inventor from a stranger delegation will be exempt from registration settlement and file fees (guarantee 100€ obligatory).

> Every inventor or exhibitor will settled in the title « registration and fill fees » the sum of 135€ for a stand of 4m², 265€ for a stand of 6m², 398€ for a stand of 8m² (guarantee 100€ obligatory).

> For any superior surface in 8m², please get in touch with the organisation.

This cheque will be given him back at the least hour end of the last demonstration day ; in the necessity, the guarantee cheque will be immediately cashed. To benefit from price lists indicated above, the inventor or the exhibitor has to prove his membership of current validity to an association affiliated to the FNAFI or join to TRANSTECH Aquitaine.

ARTICLE 5 – COMPETITION « TREMPLINS I'NOV »

5.1 - REGISTRATION

The registration to I'NOV worth participation at the competition called « TREMPLINS I'NOV 2008 ». Only the innovation placed in the paragraph 1 of the registration, could be presented within the framework of « Tremplins I'NOV 2008 ». The games are the subject of an annexe competition. They are judged by the "game creative jury". The participants undertake to any observe this regulation. The jury of "Tremplins I'NOV 2008" remains sovereign without possible dispute.

5.2 – PHASE 1 : PRESELECTION ON FILE

The "Tremplins I'NOV 2008" take place in 2 steps. The first step consist of an innovations preselection on file including the following criteria :

- > Innovation protected by an industrial title document since less than 5 years,
- > Presence of a model or a prototype,
- > Innovation presented for the first time to a competition organised by TRANSTECH Aquitaine.

This step could be possibly confirmed at the time of the passage from a preselection jury composed of 3 members on stands.

5.3 – PHASE 2 : SELECTION IN 3 MINUTES TO CONVINC

The second step is only open to the selected innovations at the preselection step time.

It is a question for the inventor to present his innovation in 3 minutes by approaching mainly the following aspects :

- > The inventor historic and his innovation
- > The innovation working

> The innovation advantages

10 minutes of additional exchange could be proposed to the inventors selected in order to evaluate the aspects more specifically :

- > technical
- > commercial
- > legal

5.4 – HANDING-OVER OF THE PRIZES

Four prizes winner of whom those of the competition on the games will be rewarded at the time of the handing-over party.

ARTICLE 6 – SALE

The inventors have faculty, in return for their registration to sale their products with an aim of a natural marketing size test.

The inventor will have to give back the stock of product to be sold at the organization and that as his arrival on I'NOV. A guarantee check of 500€ will be asked you during the deposit of your stock to the SHOP and will be restored to you at the end of the show against part of the sum due to the organization following the volume of made sales. This stock will be preciously preserved by the organization at the "**BOUTIQUE I'NOV**" (shop). The exhibitor will carry out his sale contract on his stand and will collect directly the product of his sale. **He will be obliged to respect strictly prices including all taxes communicated at the organization of the Festival I'NOV**. He will give to the visitors a purchase ticket for the product concerned and then this one will withdraw his purchase at the "**shop I'NOV**". He will be able to get back his stock of unsold products only on Monday October 13, 2008 at the closing of the Festival in exchange for the commission due to the organization. This commission will be 15% on the total sum H.T. of products sold by the same exhibitor.

The organization reserves the right to exclude definitively from the Festival I'NOV any exhibitor not respecting the conditions of sale enumerated above. Moreover, any stock, not getting back by his owner at the closing show, will belong to TRANSTECH Aquitaine.

ARTICLES 7 – ADVERTISING INSERT

Every participant to the Festival can, on inquiry express with the organization, benefit from an advertising insert in the « **I'NOV magazine** ».

This advertising is deeply advised. The "I'NOV magazine", published to 10 000 copies, is the best mean to inform the general public of your presence on the Festival. Every exhibitor presenting on his stand a marketable product but the size of wich does not allow the sale in direct on your stand or by the shop, will be obliges to set an advertising insert in the "**I'NOV magazine**" : 100€ for 1/10th of a page.

The writing (drafting) of your advertising insert stays at your expense. The exhibitor will have to send us his insert by e-mail in .jpg before July 31st, 2008. After this period, we cannot insert it into the "I'NOV magazine".

ARTICLE 8 – STANDS

Each entity has at least a stand of 4m² of surface on the ground (unit module).

The stand is delivered with **ONE** table and **TWO** chairs (without fitted carpet, neither telephone, neither lighting, neither water) with partitions or separation pylons, and an electric source (200W) on express request (see the registration file). **For higher powers the exhibitor will have to make the explicit request at the time of his registration.**

The participant is obliged to inform the Organization Committee at the time of his request registration if he wants to use dangerous, toxic or flammable products. For his stand decoration, the exhibitor will have to use non flammable or fireproofed materials (**produce the technical notes**). It is **forbidden** to use drawing pin, nails or any practical being able to damage the partitions and the supports.

As it reception by the Organization Committee, the participation request from the exhibitor become firm and definitive and could not be cancelled by the exhibitor.

In the event of desistance or of absence at the time of the Festival I'NOV, and whatever the reason, the guarantee check of 100€ become irrevocably due : it will be cashed or the tranfer preserved.

The inventor or the exhibitor commits himself to respect the show regulation. Any breach can lead to expulsion without compensation for the inventor or the exhibitor.

ARTICLE 9 – RESERVES

If I'NOV the International Festival of Innovation does not take place for imperative reason (war, riot, strike, fire,...) the sums settled in the participation title will be refunded.

The organization Committee, if it considers it useful, reserves the right to modify the affected site, its size and its position.

ARTICLE 10 – COMMITMENT

The inventor or the exhibitor formally commits himself to respect the allotted site. The inventor or the exhibitor will have to install his stand, with his expenses and under his only responsibility, **on Thursday October 9, 2008 from 14:00 to 20:00, on Friday October 10, 2008 from 07:00 to 09:00** and let it exposed until **Monday October 13, 2008** after the closing to the public. No material could be moved before its closing under penalty of damages and cancel of the distinction which could have been decreed. The disassembling of the exhibitors will be done after the show closing to the public on **Monday until midnight and on Tuesday from 08:00 to 12:00**.

ARTICLE 11 – ASSURANCE

I'NOV the International Festival of Innovation and the Organization Committee of the show decline any responsibility concerning any exposed subject or material for each participant to the show. Each participant has to take necessary dispositions to his insurer.

ARTICLE 12 – ACCOMODATION
